

**CURRICULUM VITAE OF  
PROFESSOR PANAYIOTIS D. SIAFARIKAS**

**Name:** Panayiotis D. Siafarikas.

**Place of Birth:** Tirnavos, Larissa, Greece.

**Date of Birth:** 2 February 1953.

**Marital Stage:** Married, father of three children.

**Military Service:** 1981-1982.

**Address:** Department of Mathematics, University of Patras, 26500 Patras, Greece.

**E-mail address:** [panos@math.upatras.gr](mailto:panos@math.upatras.gr), **Web Page:** [www.math.upatras.gr/~panos](http://www.math.upatras.gr/~panos)

**Tel - Fax:** +302610-997169, +302610-996746 (Office).

**Position:** Full Professor since 1992 of «Differential Equations and their Applications» in the Department of Mathematics, University of Patras.

**Administrative Experience**

- 1) Director of the Division of Applied Analysis of the Department of Mathematics, University of Patras (1989-1993, 1998-1999).
- 2) Vice Chairman of the Department of Mathematics, University of Patras (1990-1992, 1992-1994).
- 3) Chairman of the Department of Mathematics, University of Patras (2003-2005, 2005-2007).
- 4) President of Hellenic Open University (18/6/2004- 9/6/2009)

**Studies**

- 1) Degree from the Department of Mathematics, University of Patras 1976.
- 2) Ph.D. from the Department of Mathematics, University of Patras 1980.

**Awards**

- 1) **First prize in the VI Balkaniade of Young Mathematician Researchers**, 1982, Pitesti, Romania.
- 2) **Premio della simpatia 2000, from the municipality of Rome (Italy)** in the framework of Jubilee 2000, for “his contribution in the field of applied mathematics”.
- 3) **Prize from the Academy of Athens, 2003**, Athens, Greece, for the best published research paper in the area of Mathematical Analysis in 2003.
- 4) **Doctor Honoris Causa of the University of SS Cyril and Methodius in Trnava, Slovak**

**Scientific Activity**

- 1) Author – coauthor of 72 research papers published in international scientific journals with referees and of 6 university books.

- 2) **Member of the editorial board of the following international mathematical journals:**

<i>i) Nonlinear Dynamics and Systems Theory</i>	<i>vii) Journal of the Applied Mathematics, Statistics and Informatics</i>
<i>ii) Archives of Inequalities and Applications</i>	<i>viii) Bulletin of the Greek Mathematical Society</i>
<i>iii) Journal of Inequalities and Applications</i>	<i>ix) Romanian Society of Applied and Industrial Mathematics</i>
<i>iv) Journal of Applied Functional Analysis</i>	<i>x) International Journal of Modern Mathematics</i>
<i>v) Advances in Difference Equations</i>	<i>xi) International Journal of Differential Equations</i>
<i>vi) International Journal of Difference Equations (IJDE)</i>	<i>xii) Advances and Applications in Mathematical Sciences (AAMS)</i>

- 3) Participation with announcement of original research results in many national and international conferences, in many of which as **invited speaker or member of the Scientific Committee**.

- 4) **Visiting Professor** at various universities (York University Canada, Catholic University of Goias Brasil, University of Rome III Italy, Mathematical Institute of Hungarian Academy of Sciences Hungary, etc.)

- 5) **Guest Editor** of the Proceedings of International Conferences: 1) Journal of Computational and Applied Mathematics, Vol. 133, No. 1-2, pp. 1-706, 2001. (Proceedings of the Fifth International Symposium on Orthogonal Polynomials, Special Functions and their Applications, Patras, Greece, 20-24 September, 1999) (Dedicated to Professor Theodore Chihara)), 2) International Conference on Differential, Difference Equations and Their Applications, Patras, Greece, 1-5 July, 2002. Hindawi Publishing Corporation (November 2004), ISBN-10: 9775945143(Dedicated to Professor Evangelos Ifantis)
