

Recent Conferences and Lectures

1. Invited lecturer at Second International Conference on "Basic Science and Advanced Technology", Assiut , Egypt , November 5-9, 2000.
2. Invited lecturer at Workshop "Chaos, Demons and Wavelets", Symposium, University of Amsterdam , June 5-7, 2001.
3. Lecturer at Workshop "Localization in Nonlinear Lattices", Max Planck Institute for Complex Systems, Dresden , 24-28 September, 2001.
4. Invited lecturer at European Advanced Studies Conference, "Nonlinearity, Non-commutativity and Applications", Tracoscan , Croatia , May 9 - 11, 2002.
5. Invited lecturer at Summer School/Conference on "Let's Face Chaos Through Nonlinear Dynamics", Maribor , Slovenia , June 29- July 14, 2002.
6. Invited lecturer at International Conference "Galaxies and Chaos", Research Center of Astronomy and Applied Mathematics, Academy of Athens , September 16-19, 2002.
7. Invited lecturer at European Advanced Studies Conference 4 on "Chaos and Complex Systems" Novacella, Southern Tyrol, Italy, May 29 - June 1, 2003.
8. Invited lecturer at International Conference on "Dynamical Chaos in Classical and Quantum Physics", Novosibirsk , August 4-9, 2003 (did not attend).
9. Invited lecturer at International Conference on "Invariance and Model Reduction for Multiscale Phenomena" ETH - Zurich , August 26 - 29, 2003.
10. Lecturer in "200 Verhulst on Chaos", Workshop organized by the Royal Academy of Belgium, Brussels , 16-18 September, 2004.
11. Invited lecturer at Conference on "Advances in Classical and Quantum Mechanics" held in Novacella, Southern Tyrol , Italy , October 1-4, 2004.
12. Invited lecturer at Summer School/Conference on "Let's Face Chaos Through Nonlinear Dynamics", Maribor , Slovenia , June 26- July 10, 2005.
13. Lecturer at Workshop on Accelerator Beam Dynamics, Senigallia , Italy , September 12 - 16, 2005.

14. Lecturer at Conference "Physics and the City", Bologna , Italy , December 14 - 17, 2005.
 15. Plenary Speaker in 2nd International Conference of Nonlinear Science, organized by the Society of Chaos in Psychology and Life Sciences, March 10 – 12, 2006, Heraclion , Crete, Greece.
 16. Invited speaker at International Conference on the Frontiers of Nonlinear and Complex Systems (ICFNCS) in honor of Prof. Bambi Hu's 60th birthday, Hong – Kong Baptist University , 24-26 May, 2006 (did not attend).
 17. Invited Speaker at International Conference "Dynamics Days 2006", Heraclion, Crete, September 25 – 29, 2006.
 18. Invited Speaker at International Conference "CHAOS AND COMPLEX SYSTEMS 2006", Monastery of Novacella, Italian Alps, 9th - 12th October 2006.
 19. Invited Speaker at International Conference "5th Christmas Symposium of Physicists", 14 - 16 Dec. 2006, Maribor, Slovenia.
 20. Invited Speaker at International Conference "Complexity, Metastability and Extensivity", University of Catania, Italy, July 1-5, 2007.
 21. Invited Speaker at International Conference "Nonlinear Dynamics: Advances and Perspectives" , University of Aberdeen, Scotland, September 17 – 22, 2007.
 22. Invited Speaker at XVth Conference on Applied and Industrial Mathematics (CAIM 2007), Mioveni, Arges Country, Romania, October 12–14, 2007.
 23. Lecturer at Workshop on "Nonlinear Waves in Continuous and Discrete Media", UNAM, Mexico City, 24 – 28 January 2008.
 24. Lecturer at 7th Alexander v. Humboldt Colloquium for Celestial Mechanics "The chaotic dynamics of small bodies and planets, Bad Hofgastein, Salzburg, Austria, 30 March - 5 April 2008.
 25. Invited lecturer at International Conference, "Nonlinear Dynamics and its Applications", University of Pescara, Italy, July 3 – 8, 2008.
 26. Invited lecturer at Summer School/Conference on "Let's Face Chaos Through Nonlinear Dynamics", Maribor, Slovenia, June 28-July 13, 2008.
